

Elite T Bar Handle

The stunning Elite Stainless Steel T Bar Handle combines perfectly with other products in the Stainless Steel range. Offering an upmarket, contemporary handle, the Elite T Bar Handle is manufactured in 316 Stainless Steel and delivers outstanding product performance. Supplied as in-line or cranked versions, both with back to back fixing or bolt through fixing, the T Bar comes with the 25 year anti-corrosion guarantee.

Features:

- Manufactured in 316 Stainless Steel
- Combines perfectly with other Stainless Steel furniture for a totally coordinated, modern door suite
- Produced from 1.2mm thickness material
- In-line peg version or cranked peg version available
- Fixing variations - back to back fixing version (one pull handle each side of the door) and bolt fix version (one pull handle one side only with cover caps on the opposite side of the door)
- Fixing pegs supplied with a machined brass insert as standard
- M8 bolt has the option of a clear washer to protect the door face
- Bolt fix and back to back fixing methods can be found in the specification sheet below

Specification:

- 316 Stainless Steel
- 10-year Mechanical Guarantee
- 25-year Surface Finish Guarantee
- Corrosion tested to (480hrs. NSST)
